

July 20<sup>th</sup>, 2010

Dear Riverside Chamber of Commerce Member,

The *Riverside Chamber of Commerce Annual Golf Outing* is right around the corner! This year's event will be held at the *Riverside Golf Club* on Monday, August 23<sup>rd</sup>. We anticipate a record amount of golfers.

On behalf of the Chamber, *The Chew Chew* has organized a variety of games and prizes for golfers of all levels of play. We are looking for prize sponsors in exchange for some great exposure in a "Course Map & Games Program" as well as the prize ceremony to follow.

If your business is interested in this marketing opportunity, there are two ways to participate:

- 1.) You may donate a Prize or Gift Certificate from your business (\$50 minimum please).
- 2.) Be a Prize Sponsor for \$50 (check payable to the Riverside Chamber of Commerce). Your money will be used to purchase *discounted* merchandise from our sponsor, *Ultimate Golf* in Willowbrook, which will be used as prizes throughout the afternoon.

In total, there is a need for fifteen (15) sponsors. If we gather more support, we will increase the amount of games and make the day more enjoyable for everyone.

As a sponsor, your business name/ logo, address, website and phone number will be printed alongside the Course Map which will include Hole Descriptions, Tips from the Club Pro and details for the games on the course. What a great way to market your business!

Prize donations, sponsor checks and business information (including your logo in a PDF or JPEG file format, if using) should be submitted to the Chew Chew at your earliest convenience. The deadline for printing is August 14<sup>th</sup>. Logos can be emailed directly to the Chew Chew at [scottzimmer1@sbcglobal.net](mailto:scottzimmer1@sbcglobal.net). Please direct any inquiries directly to the Chew Chew at 708-447-8781.

All proceeds from your sponsorship will go directly to the Riverside Chamber of Commerce. We hope you will consider this opportunity and help the Riverside Chamber of Commerce continue its mission to improve the business culture in Riverside.

Sincerely,

Scott Zimmer
